

# APPETITE+

## FEATURES:

Appetite+ has been specifically formulated to enhance the body's natural thermogenic qualities, increasing the body's ability to burn fat quicker and more efficiently without jittery side effects. And Appetite+ individually wrapped convenience packs and great berry flavor make weight loss a breeze.

## BENEFITS:

Our team of scientists have developed a safer, healthier way to lose weight and provide a quick "pick-me-up" to help get through the day.

1. Tear packet open.
2. Pour into mouth in small amounts OR mix into a smoothie/beverage.
3. Smile, enjoy and feel the pounds fall away!

Take once in the morning or throughout the day as needed to curb your appetite and burn away fat.

For best results, pour small amounts of Appetite+ or Balance+ directly onto the tongue and enjoy the great taste until the packet is empty. Appetite+ and Balance+ can also be enjoyed by mixing with 3 oz. water, mixed with hot tea, sprinkled on smoothies, or be creative and come up with your favorite way of enjoying Appetite+ or Balance+.

## INGREDIENTS:

**Fucoxanthin**—Stimulates the production of one of the omega-3 fatty acids found in fish.

**Hoodia Gordonii**—An all natural appetite suppressant.

**Chromium**—Helps facilitate normal protein, fat, and carbohydrates metabolism.

**Kola Nut**—Safe, effective stimulant that gently raises the thermogenic capacity of the body.

**Raspberry Ketone**—Helps break down fat & appetite.

**Phenylethylamine**—Has been shown to relieve depression in 60% of patients studied.

**Bitter Orange Extract**—Relieves indigestion and nausea, and increases energy.

**Natural Caffeine (From Green Coffee Bean Extract)**—A mild stimulant that raises the thermogenic capacity of the body in order to burn fat, without the jittery side effects of other stimulants.

**Cocoa Extract**—Helps reduce the levels of oxidized LDL (bad) cholesterol on the blood, while helping to increase the levels of HDL (good) cholesterol.

**Cayenne Pepper**—Great for circulation, helps to rebuild blood cells, helps emulsify triglycerides, removes toxins from the bloodstream and improves heart health.

## Flavor & Sweetener

Warning: Consult your physician or other health care professional before taking the product.  
Not recommended for children, pregnant or nursing women or those with a history of heart or liver related health issues.
